Dairy Award To Maxwell Richmond Couple Street Days On

Mr. and Mrs. Richard L. Arseneau, 3612 Ill. Rt. 173, Richmond, have been selected as the 1969 outstanding young dairy couple of district 6 of Pure Milk Association, according to Avery A. Vose, Rt. 2, Antioch, president of PMA and the district's representative on the PMA board of directors. The title was won on the basis of leadership, person-

ality and interest in dairy farming.

The Arseneaus will represent PMA district 6 in competition, August 25-26 in Chicago, to become the association's outstanding young dairy couple. Their district is composed of nearly 600 dairy farmers, mainly in McHenry and Lake Counties, Ill., and Walworth County, Wis., but with others in Boone, Cook, and Kane Counties, Ill., and Kenosha County, Wis. PMA has a total of 19 districts in Illinois, Wisconsin and Indiana.

The couple winning the association title will represent PMA as National Young Cooperator delegates at the annual convention of the National Milk Producers Federation in New Orleans, La., Nov. 30-Dec. 4. A runnerup couple will be selected and will also attend the NMPP convention as delegates.

The National Young Cooperators program, in which these couples will participate, is designed to build leadership among young members of dairy farmer cooperatives.

Arseneau is 25 years of age. He operates a 290-acre farm and milks 40 cows in a herd of 75 Holsteins.

He is a delegate of the Richmond Local of Pure Milk Association and a member of the McHenry County Farm Bureau and the Holstein-Friesian Association of America. He was recreation chairman of McHenry County Rural Youth in 1965.

He graduated from Richmond, Burton community high school in 1961, where, in 1960, he was named all-conference and all-conference all-codis. Uai tourney center for the Shark Conference. He was captain of his team and received the most-valuable player award.

In 1960 he was "Boy of the State" alternate for Richmond-Burton, a selection based on leadership, scholarship rating, cooperativeness and other qualifications. In his senior year he received the American Legion award for similar reasons.

Also, while in high school, he served as secretary of the school's Future Farmers of America.

(Continued on page two)

Bargains galore for everyone. That is the theme this year of the 11th Annual Maxwell Street Days in Antioch which begins today and will continue through Saturday.

Merchants will literally move their merchandise onto the sidewalks and display it for the thousands of shoppers who are expected to flock to the area.

Antioch High School Band students will provide a small roving band, playing for a few hours each afternoon, adding to the festive atmosphere.

Early shoppers will be able to pick up spring and summer merchandise at specially low prices.

The promotion, again this year, is under the sponsorship of the Antioch Chamber of Commerce.

The Maxwell Street Days program will be followed closely by another promotion called "Midnight Madness."

Stores will close during 6 to 8 p.m. on Monday, August 25, and then reopen again from 8 until midnight.

Heart Fund Drive Is Successful

The Heart Association of Lake County fund drive, with a goal of \$62,000 has gone over the top and reached 102 per cent it was announced today.

The Antioch Township goal was also surpassed, Mrs. W. C. Petty announced.

Antioch Township contributed a total of \$1,047 towards a goal of \$1,000.

The figure was almost double the \$532 collected last year in the same area.

The total collected in the Lake County drive amounted to \$63,505 more than \$1,300 over that collected throughout the county last year.

Residents in the Emmons Grade School District last Saturday turned down a school board request for a 21 cent hike in the educational tax fund.

The vote was 94 to 90 against the proposal.

It was the second time in three months that the issue went down to defeat.

The election attracted more than 52 more voters to the polls than those who cast ballots in the referendum last May which ended in a tie vote—66 to 66.

The tie vote, however, was the same as a defeat for the proposal and a new referendum had to be instituted by the board.

Donald Fischer, president of the Emmons Grade School Board said the defeat at the polls will be discussed at the board's August meeting when the votes cast Saturday are canvassed.

The proposal would have hiked the educational tax rate from \$1.24 to \$1.45.

Last March residents of the area voted the rate increase from \$1.03 to \$1.24.

Board members had said the added faculty needs and salary increases have made the present levy obsolete. The main purpose of the educational fund is for teachers' salaries.

In the May election the deadlock developed when it was discovered there was one spoiled

Antioch Youth Is Shot

Mike Ring, 18, of 237 Highview Road, Antioch, is recovering from a gunshot wound in the right chest accidentally received last Saturday night.

Ring was in the home of Mr. and Mrs. Mike Queen, 563 Richard Lane, Lake Villa, when the accident occurred.

Sheriff's deputies said the youth and three other friends, Jerome Zielinski, 20, of 564 Rena Ave., Antioch; Mike Salzeider, 18, of 1708 Cherrywood Lane, and Keith Maier, 19, of 108 N. Antioch Road, both of Lake Villa, had gone to the Queen home to say goodbye to Queen who is going into the armed forces.

Deputies said Zielinski asked Queen if he was interested in selling his .22 caliber rifle and

Recovery Team Is At Work

The Antioch Fire Department now has a trained unit in the Lake County Firemen's Underwater Recovery Team.

The unit is composed of Dan Kasik, Bernie Gutowski, Frank Kauchenmeister and Frank Johnson.

The four firemen, who work as a team, began their instruction in February at Potters Pool in Round Lake.

The work included four hour sessions for six Sundays at the school.

All of their equipment was purchased by the State Bank of Antioch, which is sponsoring the unit.

Thus far the four scuba divers have participated in two opera-

Pancake Day Is A Success

The Antioch Little League Pancake breakfast held recently was termed a huge success. Over 600 persons were served pancakes and sausage.

Two door prizes were given away and the winners were Luann Gussarson, Rt. 4, a \$25 Savings bond and Jim Fields won a clock radio.

Mrs. Betty Davis was in charge and would like to thank all who helped.

All proceeds go towards equipment for all the teams, Minor League, Little League and Babe Ruth.

The Little League yearbook is out now and it is very nice. Many of our local merchants have taken ads in the book. These books will be available in some of the local

Antioch Adventurers Win 5 Grand Award

The Antioch Adventurers' 4-H Club had an excellent showing at the County Fair.

The club has 53 members, five Grand Champion ribbons were one and 31 blue ribbons.

Linda Lagerstrom won two Grand Champion ribbons. The other grand champion awards went to Heather Petty, Roberta Carter, and Jeff Eder.

Linda Lagerstrom won the Grand Champion in Dress (Advanced sewing), Silvia Meuter, State Delegate for Construction; Doris Meuter, Honor Group, and Barbara Dodd, State Delegate.

The second grand champion ribbon won by Linda Lagerstrom was in flower arranging; Silvia Meuter, State Delegate; Doris Meuter, State Delegate Alternate, and Roberta Carter won a blue ribbon.

Ceramics—grand champion, Heather Petty; blue ribbons, Diane Fischer and Linda Lagerstrom. Leather craft—blue ribbon, David Lagerstrom. Elec-

tricity—grand champion, Jeff Eder; blue ribbons, David Lagerstrom, Ronald Cook, and Tom Grego.

Art—blue ribbons, Lynn Hall and Sharon Hall. Knitting—blue ribbon, Mary Jo Schneider. Entomology—grand champion, Roberta Carter. Table Covers (sewing)—blue ribbons, Susan Meuter, Kim Klopp, and Lori Bolton. First Year Skirts—blue ribbons, Pam Donovan and Mary Jo Schneider. Baby Sitting—blue ribbon, Diane Fischer. Cooking—blue ribbon, Barbara Dodd, Gale Bolton, Silvia Meuter, Doris Meuter, and Gina Teresi. Bicycle Riding (skills)—Blue ribbons, Dale Bowers and Jeff Eder. Bicycle (maintenance)—Blue ribbons, David Lagerstrom, Jeff Eder and Dale Bowers.

The other club members entered projects in the County Fair and were awarded Red and White ribbons. These members worked very hard for their awards and

Your Congressman Reports...

By Cong. Robert McClory

The controversy surrounding cigarette advertising continues to raise a storm in the Halls of Congress. Recently, the United States House of Representatives passed a bill (H.R. 6543) requiring cigarette packages to contain the following legend:

"Warning: The Surgeon General has determined that Cigarette Smoking is Dangerous to Your Health and may cause Lung Cancer or other Diseases."

The legislation imposes no obligation to include this warning in radio, TV, Newspaper or magazine cigarette advertisements. Neither does the measure affect cigars, pipe tobacco or (roll your own) Bull Durham.

Indeed, the principal effect of the bill is to extend existing restraints against the Federal Communications Commission, the Federal Trade Commission or any other Federal agency which is inclined to prohibit ALL advertisements of cigarettes not warning of the potential dangers to health which attend cigarette smoking. The measure is still pending in the United States Senate where its fate is uncertain.

A serious question is raised as to the limits of FCC control over TV and radio advertising. Possible dangers to health are inherent in a great many products including drugs, cosmetics—ever some foods. If radio and TV advertising of various products is to be prohibited by a Federal agency created by the Congress, how far does this authority extend? For the time being—at least—the Congress seems inclined to prevent this authority from being extended even to cigarette ads.

Meanwhile, the television and radio industries, including the three major networks and more than 200 unaffiliated radio and TV stations, have undertaken to bar voluntarily all cigarette advertising by the year 1972. This step, described as consistent with the stations' "Code of Ethics", obviously has been encouraged by the pressures which the FCC and the Congress have applied. Furthermore, the move is a clear admission that cigarette smoking is, indeed, dangerous to human health.

The Congress seems determined to bar FCC from prohibiting radio and TV cigarette advertising, providing a health warning is contained on each pack. However, there are strong indications that the glamorous "Marlboro Country" and "You've come a long way, baby" commercials soon may be relegated to the archives.

The Congress is left then with this most perplexing dilemma. How long will tobacco be reaped an agricultural product—enjoying a direct Federal subsidy in 1968 of more than 30 million? It is strange, indeed, to pay farmers who grow tobacco on their own land and then virtually forbid the tobacco to be sold—because of its danger to human life. There may be some indication as to tobacco's future in the fact that while population rose in 1968, cigarette sales were down more than 230 million packs.

Emmons Voters...

(Continued from page one)

ballot. Emmons had been faced with the proposition that it increase its tax rate or attempt to annex to a nearby district, presumably the Antioch Grade School District.

Residents, however, forestalled this move by voting in the original tax hike last March.

It is not known whether a merger with another district would be the topic for discussion at the board's August meeting, although it is likely.

Antioch Youth...

(Continued from page one)

Queen got the firearm and handed it to him. Ring was seated at the opposite end of the room as the others inspected the gun.

The rifle discharged while the inspection was going on and Ring rose from his seat declaring, "I am shot."

The youth was taken to St. Theresa Hospital, Waukegan, by the Lake Villa Rescue Squad.

Letters to the Editor

President
Antioch Chamber of Commerce
Antioch, Ill. 60002

Dear Sir:
You need only to examine any store's stock of Antioch picture post cards here and you will find it better to have none whatsoever.

Years ago there was always a dandy selection of views to be had and now for the past several years you show a couple of churches and little or nothing more.

Don't you think this situation should be alleviated?

Yours truly,
Edward T. Houdek

No Money For Cities

A recent meeting in Washington with the mayors of 200 Illinois cities and the two senators from our fair state came off on a sour note last week.

It seems the mayors were enticed to Washington on false pretenses.

They thought they were going to find out what funds they could get to further improvements in the communities they represented.

Instead they came away sadder—but wiser.

It seems the federal government doesn't have any money to help the municipalities—which means us—with their problems.

It might be unique to find out if the federal government can operate without our money that we send away to Washington and have a devil of a time getting any back.

It was reported that Sen. Everett Dirksen, our senior senator, responded to the mayors by saying he would field all the questions they asked but he wouldn't answer any.

Now that seems to be a little high-handed to us.

Maybe the good senator would like to try and get elected without the people voting for him.

We agree that there is a tremendous amount of money being spent these days on poverty programs, space programs, give-away programs and foreign aid.

But it just seems to us maybe there should be a little put aside—just a little—to help the people who are providing the wherewithal for all of these programs.

Maybe the administration of our government is getting a little top-heavy in administration.

Maybe it wouldn't be a bad idea to turn some of the rascals out.

Particularly in view of the fact that the administration has just found a \$3.1 billion surplus.

Wonder what they will do with that?

Roadwork Needed

The State of Illinois is about to embark on an ambitious road program.

We can show them where to start.

Take Rte. 59 and most of us wish they would.

It is in a deplorable shape and should be one of first roads in the area upgraded.

Our other highways in this area can also use some upgrading.

We were pleased to hear that the road — Rte. 59 that is — will get a new covering where it goes through Antioch anyway.

The plan is to upgrade all of the state roads to make them wider and give them a new surface so we can keep our autos for more than a year.

Gov. Ogilvie has promised that Lake County will not be forgotten in the program. We can only hope that the promise still holds good.

The \$2 billion road program really has more money in it than that. Federal matching funds could boost the figure to \$4 billion— if the federal government can find the money.

The program is for a 10 year period.

We hope they hurry.

FUNERAL NOTICES

MRS. MILDRED E. AHRENS
Mrs. Mildred E. Ahrens, 80 years old of Lake Bluff near Antioch, passed away suddenly at her home and was found on Thursday, July 24, 1969 after not having been seen for several days.

She was born August 4, 1888 in Evanston, Ill., and had resided at Oregon, Ill., from 1910 until moving to Antioch in 1929. She married Anthony Ahrens in 1929 and he preceded her in death in 1941. Survivors are two daughters, Mrs. Arleigh (Pring) Young, of Antioch and Mrs. Edna Mae (Eugene) Reynolds, of Coal Valley, Ill., two sons, Merton Sauer, of Valinda, Calif., and John Sauer, of Oregon, Ill.; one sister, Mrs. Estella Wallace, of Chicago, 9 grandchildren and 13 great-grandchildren.

Funeral services were held at 1:00 p.m. Saturday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Warren Cemetery.

ROBERT J. SCHULTZ

Robert J. Schultz, 19 years old of Salem, Wis., passed away at 11:30 p.m. Thursday, July 24, from injuries received in an automobile accident at Silver Lake, Wis.

He was born May 12, 1950 at Waukegan, Ill., and had lived at Salem, Wis., all of his life. He was a member of the Silver Lake Sportsmen's Club and the Independent Marine and Machinists Association. He had worked as a stock runner for Johnson Motors in Waukegan.

He is survived by his parents, James A. and Ruth (nee Grulich) of Salem, Wis.; three brothers, James Schultz, Jr., of Camp Lake, Wis., Leonard and John Schultz, at home; two sisters, Miss Sharon and Miss Karen Schultz, both at home.

Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Salem Mound Cemetery near Silver Lake.

ANDREW H. ARRIGO

Mr. Andrew H. Arrigo, 82 years old of Lake Shangri-La Subdivision near Antioch, Ill., passed away on Friday, July 25th, at 9:28 a.m. in Kenosha Memorial Hospital. He was born Sept. 9, 1886 in Palermo, Italy and came to America in 1903 to reside in Chicago until moving to Salem Township in February 1968.

Mr. Arrigo was a member of St. Scholastica's Church at Bristol. He was a retired produce worker. He was preceded in death by one son, James on Dec. 9, 1932. His only relative is one cousin, Andrew Arrigo of Lake Shangri-La Subdivision with whom he made his home.

A funeral mass was held in St. Scholastica's Church at Bristol. Interment was in Holy Sepulchre Cemetery near Chicago. Parish prayers were recited at 7:30 p.m. Sunday at the Strang Funeral Home in Antioch.

MRS. ADDA GEIMAN

Mrs. Adda B. Geiman, 78 years old of Lotus Street in Astoria, Ill., passed away Saturday, July 26, at Kenosha Memorial Hospital. She had lived at Iroquois, South Dakota, from 1909 until moving back to Astoria in 1959.

She was a member of Baders Church at Baders, Ill. She married Dennis G. Geiman on Aug. 10, 1907 and he preceded her in death on Feb. 5, 1965.

Survivors are two sons, D. Geiman, Iroquois, S. Dak., Aden W. Geiman, Sturgis, South Dakota; three daughters, Mrs. Ida M. (Charles) Wysoglad, Antioch, Ill., Mrs. Frances M. Johnson, Dubuque, Iowa, Mrs. Lois (Lawrence) Laing, Mt. Prospect, Ill.; one sister, Mrs. Hazel Welker, Astoria, Ill.; six sisters-in-law; 22 grandchildren and 30 great-grandchildren.

Funeral services were held at the Shawgo Funeral Home in Astoria, Ill., on Tuesday, July 29th, at 2 p.m. Rev. Dean Cripe officiated. Interment was in Astoria Cemetery. Local arrangements were made by the Strang Funeral Home in Antioch.

MRS. MARILYN R. HEATH

Mrs. Marilyn R. Heath, 30 years old of Spring Grove, Ill., died at 9:30 a.m. Monday, July 28th, from injuries received in an automobile accident about 4½ miles east of the city of Delavan, Wis.

She was born Feb. 23, 1939 in Chicago, and had lived in the Antioch area for the past 22 years. She married Paul D. Heath on March 16, 1962 in Chicago. She was preceded in death by her father Paul Stearns.

Survivors are her husband, Paul D. Heath; one son, Daniel and two daughters, Donna and Linda, all at home; her mother, Mrs. Constance Stearns, of Antioch; her maternal grandmother Mrs. Carrie Myers, of Antioch;

The PM&L players are always rehearsing. This is a scene from "A Funny Thing Happened on the Way to the Forum." Participating are, from left, Dee D'Isa, Waukegan; Betty Vaughn, Lake Villa; Ken Smouse, Antioch; Kris Fournier, Lake Villa; Rich Irmen, Antioch; Don Beveroth, Paddock Lake, Wis.; Wes Camp, Antioch; Marty Lusiak, Antioch and Steve Strang, Antioch.

'Forum' On Friday, Saturday

"Something familiar... Comedy tonight!"

So opened "A Funny Thing Happened on the Way to the Forum" last Friday and Saturday and a funny, hilarious, side splitting situation musical comedy melodrama happened on the PM&L stage for the enjoyment of near capacity crowds both nights.

"Forum" will play again this Friday and Saturday, August 1 and 2 at the PM&L Theatre, Main St., Antioch. It is expected that every seat will be taken this weekend so everyone who wishes to attend is urged to make reservations early to be assured of a seat. Call Shirley Jensen, 395-0539 or Joanne Springer 395-0359.

To explain the plot would be entirely impossible so here are a few tidbits of information concerning "Forum."

Don Beveroth, starring as Pseudolus has reached his forte in his acting career. He is a devious rogue, a dexterous rascal, a fox, a flink! You'll love him.

Ken Smouse as Senex is lovable, laughable and a "Naughty Old Man."

Bill Scorsion as Hysterium is hysterical, coy, caught in the middle of unbelievable situations. His "I'm Calm" is a joy to watch and listen to.

Rich Irmen as Lycus is the keeper of the most beautiful maidens in the empire. He, too, is the captive of many a conniving plot.

John D. Horton as Hero is handsome, beardless, loveless, breathless—eagerly waiting to be initiated into the mysteries of life.

Kris-Agn Fournier as Phila is lovely to behold and winsome and beguiling.

Bette Vaughan as Domina is Tyrannus Femminus—her tongue makes Jupiter tremble! It's from her that the world has received the most hated name for woman—bitch!

Bob Andersen as Erronius is a senile gladiator, a pooped out Praetorian, roaming Rome for his kidnapped heirs.

Wes Camp as Miles is a mighty warrior, egotistical, grandiose. The Courtisans are lovely, beautiful, sexy.

The Proteans are zany, aerobic and versatile.

"I've never laughed so hard in all my life," was the most often heard quote as people emerged from the theatre. Come see it for yourself. Meet you at the "Forum."

Trucker Fatally ...

(Continued from page one)

The truck started to roll, he said, and went back about four feet, pinning Schmitt.

Gilbert told police he didn't have sufficient brake pressure to stop the truck from moving.

Faulty brakes and tail lights—as well as turning signal lights—are a major cause of rear-end collisions, says the Chicago Motor Club-AAA. Inspect them often to make sure they are working properly.

one brother, Rex Stearns, of Sheridan, Ill.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Bruce Jancs of the Lake Villa Community Methodist Church officiated. Friends called at the funeral home after 3 p.m. Tuesday. Interment was in Grass Lake Cemetery near Antioch.

Voting Age Thailand Visitor Arrives

The advantages of lowering the voting age to 18 will be discussed by several young people and local politicians in a special segment following Harry... Homewood's analysis of the news on WTTW, Channel 11's FACT OF THE MATTER Monday, August 4 at 9 p.m.

The special 10-minute report will examine possible ways of changing the present system, how today's youth regards the nation's politicians, and how much of a political maneuver would be involved in changing the vote. Homewood will provide his own follow up commentary on the report.

FACT OF THE MATTER is produced by Homewood and Bob Bohacek and is seen on 17 mid-west public TV stations belonging to the Central Educational Network. Bohacek is the director. "Lowering the Voting Age" is produced for WTTW by WTVS, Detroit, Michigan.

County Will Hear Budget Requests

Annual budget hearings for all Lake County government departments will begin the last week of August. The Finance Committee of the County Board of Supervisors has asked that proposed budgets be in one week ahead of time to allow appraisal of the overall fiscal requests prior to scheduled hearings with department officials and their respective committees.

There are some changes in the budget format this year, in order to set up a uniform account system. This includes a numerical code to replace the old letter code and inclusion of salary requests.

Budget hearings usually run through the month of September. Action on the appropriation is set for October, after which it is on file for public inspection for fifteen days. Adoption of the budget for fiscal 1969-70 would normally come at the November board meeting just prior to the end of the fiscal year.

Courthouse Carpet Bids Readvertized

All bids on carpeting for the new Lake County courts building were rejected by the Public Building Commission at a special meeting July 18. Commissioners felt it was impossible to award a contract on the basis of varying yardage in the bids and voted to readvertise. Another bid opening is set for Monday, Aug. 4.

Original bids, opened July 16, ranged from \$56,760 to \$66,036 but none of the six covered the same number of yards. Commissioners also asked why only one manufacturer could supply the special type of carpeting, a woven man-made fiber which is supposed to wear better than wool.

Another problem under discussion is delivery time in that mills are closed during July. The courts building is expected to be completed later this year.

No Outdate Drugs In VACabinet

The Veterans Administration disclosed today that its \$44 million medicine cabinet contains no outdated drugs.

VA, which buys \$24.4 million worth of drugs for its main depot, said it hasn't "lost a penny's worth" due to spoilage, nor has it suffered any appreciable losses in the \$21.6 million worth it buys annually at hospital level.

VA attributes this success in keeping its drug supply fresh and potent to a tight inventory control.

The VA operates 166 hospitals and 16 domiciliarys which require the services of some 5,000 doctors and 15,000 nurses annually to administer care and medicine to approximately 1,000,000 patients.

VA buys the equivalent of 881,732 pints of alcohol annually, as well as 37.8 million aspirin tablets and \$2.5 million worth of one type of injectable anti-biotic drug.

Also, the VA turns over its drug depot stock three times a year to insure potency and waste control. Contracts for drug procurement at hospital level, VA said, frequency include a clause allowing outdated and perishable drugs to be returned to the supplier.

Three VA hospitals are currently testing an automated pharmacy control system which may be expanded to computer programming for all 166 VA hospitals. The automation will provide a perpetual inventory, complete cost analysis and operational statistics for up-to-the-minute drug control.

Recovery Team ...

(Continued from page one)
tions but are ready if they are called on.

One operation was the recovery of two boys from Winthrop Harbor and the other, more recent, was for the recovery of a fisherman drowned in Cedar Lake.

Johnson said that the group gets together once a week at Cedar Lake for practice dives.

The idea of an underwater recovery team was first begun by Round Lake firemen and others followed suit.

Antioch got involved because of the many lakes surrounding the area.

The departments have a mutual aid agreement whereby they can be called on for help at any time.

Pancake Day Is ...

SEA SNAILS HELP BELL LABORATORIES

A large species of sea snail has been helping Bell Telephone Laboratories scientists investigate the most complicated communications network known—the human nervous system. The scientists have found they can use a laser beam to artificially trigger the electrical impulses that

carry "messages" from cell to cell in the snail's nervous system, which functions in basically the same way as the human nervous system. Their work could lead to communications innovations in the Bell System.

Where The Boys Are

Donald W. Anderson, Jr.

Spec. 4 Donald W. Anderson, Jr., the son of Mr. and Mrs. Donald W. Anderson, Sr., of 125 Oakwood Drive, Antioch, has been in Pusan, Korea, since May.

He was a printer in Fort Knox, Ky., for one year before leaving the States. He entered the Army in February 1968.

Anderson is a graduate of Antioch High School and was employed with the Commonwealth Edison Co. before entering service. Anyone who wishes to write him may do so at 40th Eng. Co. (TIC) A.P.O. San Francisco 96276.

U.S. AIR FORCES, Thailand— Airman First Class James R. Hill, son of Mr. and Mrs. Richard E. Hill of 399 Maplewood Drive, Antioch, Ill., is on duty at Takli Royal Thai AFB, Thailand.

Airman Hill, an aircraft pneumatic repairman, is assigned to a unit of the Pacific Air Force. He previously served at Mountain Home AFB, Idaho.

The airman is a graduate of Antioch Community High School.

With U.S. Combat Air Forces, Vietnam—U. S. Air Force Sergeant Terry K. Dowell, son of Mr. and Mrs. Harry J. Dowell of Rt. 3, Antioch, Ill., is on duty at Phu Cat AB, Vietnam.

Sergeant Dowell, a security policeman, is assigned to a unit of the Pacific Air Forces. He previously served at Minot AFB, North Dakota.

The sergeant is a graduate of Antioch High School.

Park Setting Planned For Luncheon

St. Peter's annual Salad Bar Luncheon, scheduled for Saturday, Aug. 16, will take place in an old-fashioned park setting.

The soft warm tones of an organ will be heard throughout the afternoon to add to the relaxed atmosphere.

In keeping with the theme of the PM&L players will present entertainment to delight the old and young alike.

Tickets are available by calling Mrs. Pat Schreiber at 395-2887 or Mrs. Betty Mentone at 414-862-680.

It's easy to place a classified—Just dial 395-4111.

Lindenhurst News

By Mrs. Bernice Bernau 356-5649

ENLISTS IN "WAVES"

Miss Suzanne Lazansky, daughter of Mr. and Mrs. Milton Lazansky, 111 North Hawthorne Drive, Lindenhurst, has enlisted in the WAVES for three years. She took her physical in Chicago last Thursday and was sworn in as a Seaman Recruit. She will be leaving August 21 to take her boot training at Bainbridge, Maryland for ten weeks. Suzanne graduated from Antioch Community High School this past June.

NO MEETING

The Altar and Rosary Sodality of Prince of Peace Church has cancelled their August meeting. Members are asked to donate their services for the Summer Festival on August 22-24.

The Sodality will receive Holy Communion at the 8 o'clock Mass Sunday morning.

BIRTHDAYS

Birthday greetings to Pat Papan, Kathy Jenewein, Mary Lee Floyd, Sharon Bunkelman, Joy Christie, Luella Stanley, Gene Johnson, Richard Jereb, Thomas White, Amy Margaret Stebbins, Judith Ann Kleffner, Helen Minda, Donald Dutcher, Judy Sokpu, Bea Kempster, Ricky Myslinski, Lynne Renee Ingolia, Daniel Wayne Erber, Lisa Skrzynecki, Kimberly Kempher and David Mohar.

ANNIVERSARIES

Our very best wishes to Steve and Evelyn Krakowski on their 32nd wedding anniversary July 31. Also George and Julie Stephens on their 10th anniversary August 1. Al and Sue Vickery will be married six years on August 1. Also August 2 is the 39th wedding anniversary of Bernard and Frances Gargara. James and Bonnie Bruski will be celebrating their second anniversary on August 5. Robert and Beverly Jonas will be married 13 years on August 6. August 5 is the wedding anniversary of Marty and Dorothy Golden. Leonard and Kathy Clark will be married one year on Aug. 3. And Helmut and Gisela Sauer will be celebrating their fifth anniversary on August 4.

NEW BABY

Mr. and Mrs. Michael (Hilda) Deignan, 405 Surrey Lane, Seven Hills, are the parents of a 6 pound, 15 ounce little girl, Jacqueline Elizabeth, born July 25 at Victory Memorial Hospital. The Deignans also have a 2 year old son, Michael Robert. The proud grandparents are Mr. and Mrs. Peter Ritter of Chicago and Mrs. Florence Deignan, also of Chicago.

CHRISTENED

Three month old John Richard Nordness, adopted son of Mr. and Mrs. Jerry (Kate) Nordness, was christened at Prince of Peace Church on July 13, by Father John Carolan. Mrs. Nordness, niece and nephew, Darlene and Richard Quinn of Carpentersville were sponsors. Approximately 30 relatives attended the celebration that was a joint going away party for Mrs. Nordness' father, Dick Quinn. He left for a five week trip to Ireland.

Richard Janka

Janka, Wife Return From Weekend Trip

Richard Janka, 548 Garys Drive, Antioch, Illinois and his wife Andrea, have returned from a weekend trip to Pioneer Lodge at Oshkosh, Wisconsin. An agent for the Allstate Insurance Companies in Fox Lake, Janka was among a group of Allstate agents who won a recent company sales contest. He and his fellow agents were honored during the weekend outing at the resort.

Janka joined Allstate in February of 1963.

'Neighbors' Sponsoring Card Party

The Royal Neighbors—Olson Camp—met at the American Legion Hall July 23 for a short business meeting followed by card playing by the members.

The Neighbors are sponsoring a card party at Trevor Hall, at 8 p.m. on Aug. 6. The public is invited.

Rainbow Girls Rummage Sale

On Friday evening, Aug. 8, and on the morning of Saturday, Aug. 9, the Antioch Rainbow Girls will be having a rummage sale in the old Lyons & Ryan Ford garage. The purpose being to raise money for the projects the girls will be holding in the future.

If you are interested in supporting the girls, bring your clean rummage to the garage.

DR. PETTY JOINS STAFF AT CLINIC

Dr. R. David Petty, son of Dr. and Mrs. W. C. Petty, Antioch, has joined the medical staff at the Cantwell-Peterson Clinic at Shawano, Ill.

He is a newcomer to the Shawano area, being recently discharged from the Fitzsimmons Army Hospital, Denver, Colo., where Major Petty spent two years.

He and his wife Joyce and three children, David 11, Elizabeth 10 and Sarah 6, live at 114 River Heights.

HIGH LIVING

According to the Arizona Farm Bureau Federation, a vast food market is provided farmers by the commercial aviation industry. In fact, the airlines are like a giant food chain. They served an average of 65,000 meals daily last year. To do this they purchased over 500,000 sirloin steaks, over 672,000 pounds of beef stew. To go along with that they used 8,000,000 half-pints of milk, 500,000 pounds of butter, and over 1,000,000 heads of lettuce . . . enough to keep a couple of farms busy, at least.

Woman's Club Sets Program For New Year

A full slate of officers and committee chairmen of the Antioch Woman's Club met at the home of the newly elected president, Mrs. Raymond Toft on Friday, July 25th for the annual mid-season meeting of the board.

Attending were Mrs. Raymond Toft, President; Mrs. Donald Purdy, Vice President; Mrs. William McCaw, Recording Secretary; Mrs. Al Bucar, Corresponding Secretary; Mrs. Anton Stanich, Treasurer; Mrs. George Hahn, Program; Mrs. Ted Larson, Art; Mrs. R. C. Liskeman, American Home; Mrs. William Brook, Community Service; Mrs. Dan Maras, Education; Mrs. M. E. Jester, Legislation; Mrs. Clarence Olson, Literature; Mrs. Gus Costoff, Membership; Mrs. O. W. Turner, Music; Mrs. William Petty, Parliamentarian; Mrs. Clarence Spiering, Publicity; Mrs. Thomas Pechousek, Rehabilitation; Mrs. Elroy Anderson, Social; Mrs. Ted Costoff, Ways and Means; and Mrs. Vera Horton, Past President. Mrs. Myrus Nelson, also present, gave a report on the Auditing Committee.

The program for the coming year, starting with the opening luncheon at the Brae Loch Country Club on Oct. 6th, will be open to guests, with entertainment by "Betty and Bob" of Chicago with their presentation of songs from Broadway hits.

Mrs. Hahn gave a resume of the programs to follow, which will provide a very interesting Club Calendar.

The new Antioch Library building was discussed and a possible participation to furnish a memento from the Club was tabled until the subject could be brought before the Club members for final decision.

Refreshments served by Mrs. Toft signaled the closing of the business meeting, and a social period followed adjournment.

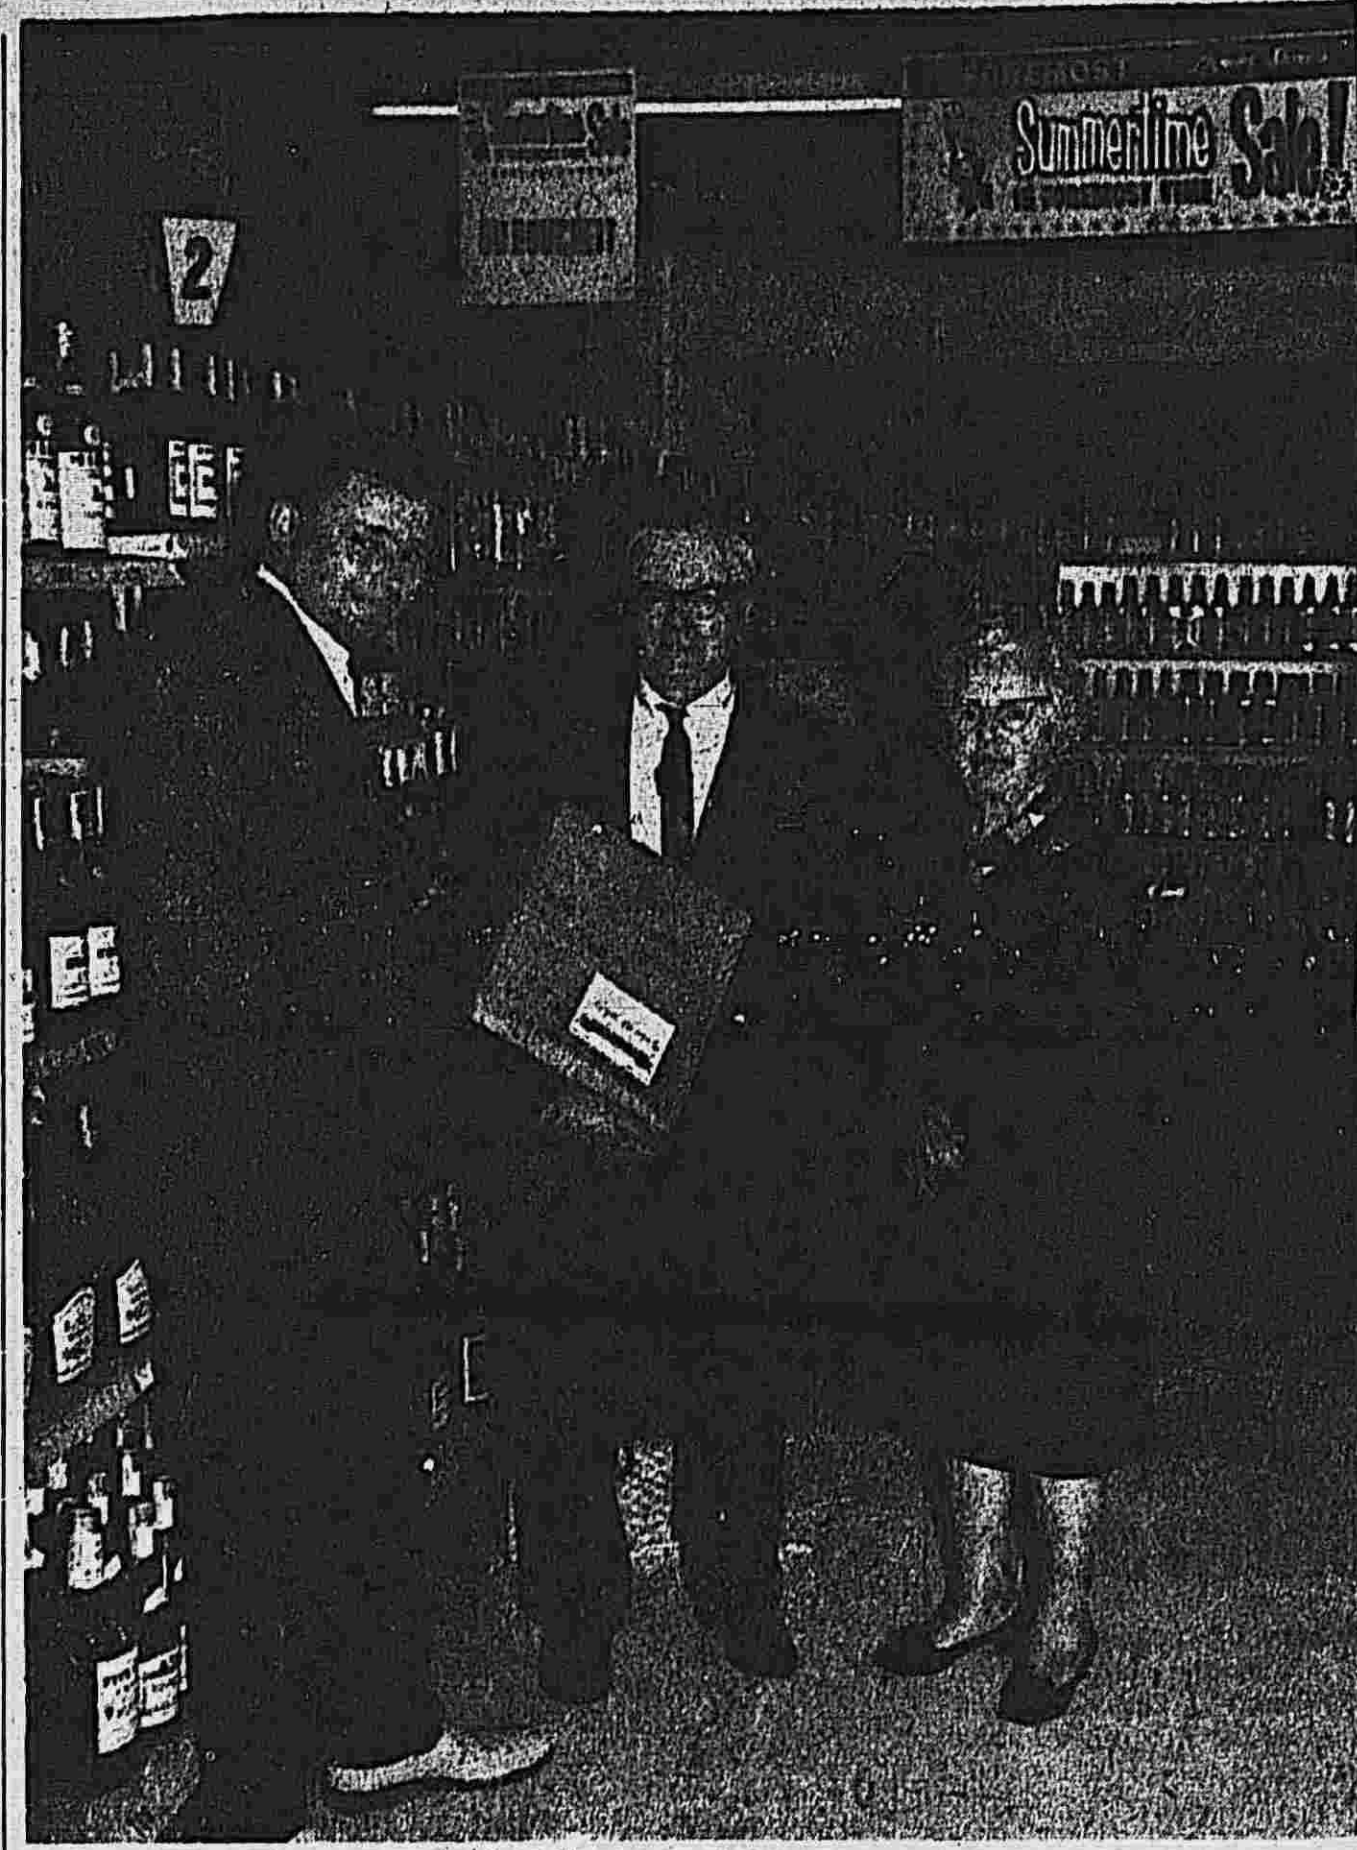

(By Lillian Birdsell)

The Eddie Burke's Band, which was supposed to play at the Antioch Moose Home on Saturday evening, July 26th, cancelled out at the last moment when two members of the band were involved in an automobile accident and upset the evening that Governor Jerry Kusch had planned for his members. This didn't seem to trouble the members any, for they were entertained all evening by dancer Cheri Barrett of Antioch, who kept them all amused for the evening. She not only furnished the entertainment, but supplied her own music as well. The two members of the band were not seriously hurt and the Eddie Burke's Band will return to the Antioch Moose Home on Saturday evening, Aug. 9, when another dance is scheduled. Also returning on this evening to entertain once again will be dancer Cheri Barrett as the Go Go Girl. A smorgasbord was served to all members present and regardless of the governor's first upset, the evening turned into a grand success after all.

A new trustee will be elected into the office at the next regular meeting for the Loyal Order of Moose scheduled for Wednesday evening, August 13th. Nominations were in order at the previous meeting and voting will take place just prior to meeting time at the August 13 meeting. All members must show their paid up dues receipt before casting their vote. It is the duty and responsibility of all members to be present at this meeting and the governor, Jerry Kusch is looking for a good turnout.

The membership campaign for the Loyal Order of the Antioch Moose is well on its way to complete the drive for the second quota. The sponsors are all off on a good start towards the awards being offered by Mooseheart for bringing in new members. There were six new members enrolled into the Loyal Order on Wednesday evening, July 23, which are as follows: Jerry Cole, sponsored by Henry Grewe. This now puts Henry Grewe in the 25 Division Club, for he needed this one member to qualify for this division. Congratulations to Helme, as he is known by all the members because he has really earned this honor for all his hard work. Wayne Voyles, sponsored by Clyde Davis; Matthew Morris, sponsored by Ron Serwa (and if Ron keeps going the way he is, it won't be long before he joins the 25 Club division); John Baldwin, sponsored by Governor Jerry Kusch; Tom Miller, sponsored by John Dupre and John J. Roach, sponsored by Wilbert

Mr. and Mrs. Louis Berger, Rte. 1, Grass Lake Road, Antioch, accept a free case of champagne from Dave Bushing, left manager of the Foremost Liquor Store at 484 Orchard, Antioch. Foremost made the presentation to the couple in honor of their Golden Wedding anniversary.

Winners Named In HIA Fair Drawing

Two area women were winners of prizes given by the Lake County Health Improvement Association, at the Lake County Fair.

At the Saturday evening drawing, Mrs. M. A. Anderson's name popped out of the bag. Mrs. Anderson resides in Millburn.

Mrs. D. Suma, 150 School Street, Grayslake, had the Sunday winning entry, and she received an identical prize as did Mrs. Anderson.

The Lake County H.I.A. is an organization of farmers, business men, and self employed persons to provide Blue Cross-Blue Shield hospital and doctor protection at low group rates, and are based in Lake Villa.

Methodists Will Meet On Aug. 5

There will be a meeting of all WSCS personnel at the Antioch United Methodist Church on Tuesday, Aug. 5, at 11 a.m. for the purposes of reviewing business and setting up a schedule. There will also be a teaching session. The vacation Church School will begin on Aug. 11 and continue through Aug. 22. Hours will be from 9:30 a.m. to 11:30 a.m. Children from pre-kindergarten through 6th grade are welcome to attend. Further information may be secured by calling 395-1259 or 395-4136. Mrs. John R. Laude is director.

Call 395-4111 to place a Society or News Item.

MISS DEB

... answers questions about Junior Miss etiquette, grooming and interests.

Q. I want to freshen up my room with a new coat of paint — but I really haven't the faintest idea of how to go about it. My only consolation is that it's an inexpensive way to get rid of the terrible green walls I've been living with for three years.

A. The simplest way is to use a large roller instead of a brush and then just paint away. The job will be done in no time and you won't have to worry about brush marks. To save your manicure while you're painting, wear new Handgard disposable gloves. These lightweight plastic gloves do a heavy job of protecting hands. When you're through painting, your Handgard gloves may have paint on them, but they are disposable — just toss them away! Your hands will be manicure-fresh!

Q. My hair looks like a dump dump! Every day it seems to get more oily. Mother says that the more I wash it the quicker it will get dirty. But I can't stand the way it looks. Help!

A. Shampoo to the rescue! The old-told tale of "the more you wash the more you'll need to wash" just isn't true. If you

have oily hair that gets dirty every day, or every other day, wash it that frequently. A shampoo specially formulated for oily hair should help. Follow this with a liberal dose of cream rinse to ward off split ends — and you'll have hair with the slickest sheen in town!

Q. Fifteen of us are piling in to give a party for some boys and we'd like unusual party suggestions. The usual soda, pop, potato-chips-and-dip, rock music-and-dancing formula seems pretty humdrum now that it's been done about 100 million times.

A. Perk up your party by holding it outdoors. Then — if the boys love to eat — turn it into an unusual picnic party. Have each girl make two box lunches, using all the leftovers in the family 'fridge, and all the imagination she has. Then have each girl select a different pattern of Marvlon adhesive covering and wrap both of her box lunches in the same pattern. On the day of the picnic, one of each girl's box lunches is put into a pile. Boys choose a gaily-wrapped box and eat with the gal whose box lunch matches!

11 Beauties Vie For Lakes Title

The eighth annual Miss Lake Region Beauty Pageant is being presented this Saturday, August 2, by the Lake Region Jaycees.

This pageant is the only preliminary to the Miss Illinois Pageant that is held in Lake County.

The girl that is crowned Miss Lake Region 1968 at the Antioch Community High School Auditorium will be sponsored by the Jaycees in the 1970 Miss Illinois Pageant. This is why the pageant on Saturday night will have

Rita Rosol

the girls competing in evening gowns, swim suits, and three minute talent skits.

The judges and audience will be looking for the girl that possesses and displays the most beauty, talent, personality and intellect. Tickets for the pageant may be purchased at the door or from any member of the Lake Region Jaycees.

The last girl to enter the pageant competition is:

Miss Rita Rosol, 19, daughter of Mr. and Mrs. Edward Rosol, Ingleside. She is a graduate of Grant High School 1968, attends St. Xavier College where she is majoring in music. She is a former Girl Stater (Illinois) and has entered several state contests. She will be sponsored by Ben Franklin 5 & 10.

The ten other girls that make up the pageant entries are: Miss Donna Garrison, Sylvan Woods Dr., Antioch (age 17) (Miss Ace Hardware);

Miss Marianne Payton, Lakeside Place, Antioch (age, 17) (Miss Galaxie); Miss Kathryn Heitkotter, 675 S. Main St., Wauconda (age, 19) (Miss First National);

Miss Debra Zeason, 1538 Forest Drive, Lake Villa (age, 17) (Miss State Bank);

Miss Chinee Pedersen, Rt. 45, Antioch (age 18) (Miss Teresi Chevy-Olds);

Miss Patricia Johnson, Channel Lake, Antioch (age, 18) (Miss Gibbs & Jenness);

Miss Barbara Schaufel, 1910 Romero Ave., Lake Villa (age, 18) (Miss Hucker's Sales);

Miss Lerne Kerr, 19 Lippincott Road, Fox Lake (age, 17) (Miss Stringer Dodge);

Miss Nancy Kumpfer, 1043 Spafford St., Antioch (age, 17) (Miss Charmglow);

Miss Betty Clemons, 1413 Derling Lane, Lake Villa (age, 18) (Miss Tony & Lill's).

The judges for the Pageant will be:

Leukemia Society Announces Grants

Leukemia research grants totaling \$207,000 were recently announced by the National Medical and Scientific Advisory Committee of the Leukemia Society of America, Inc.

The new grants bring the Society's research support commitments to approximately \$1,300,000 according to William Dnestek, M.D., Vice President for Medical and Scientific Affairs for the Society and Chairman of its Medical and Scientific Advisory Committee.

Leukemia Society Scholars actively engaged in leukemia research now total 23. The Scholar awards of \$100,000 to post-doctoral researchers enable them to devote their full time to the advancement of leukemia research for a period of five years. Society Scholars are highly qualified individuals who have demonstrated ability to conduct advanced research bearing on leukemia. The program is designed to aid individuals rather than projects and to encourage them to dedicate their careers to leukemia research.

There are presently 10 Society Fellows engaged in leukemia research in the United States, Switzerland, Canada, England and Italy.

Leukemia Society of America Fellowships are granted to encourage and assist physicians and other scientists to embark on careers in fundamental and clinical research related to leukemia. Fellowship grants cover a two-year period of research, and are granted for \$16,000 or \$21,000 in the case of a Special Fellowship Award.

Leukemia Society of America research is a direct response to the unique nature of the disease. It is guided by three principles: 1. To encourage sound research approaches to the problem of leukemia control; 2. To support promising researchers on a worldwide basis, and 3. To evaluate research programs, national and international, to assure full information for the overall research attack on leukemia.

Mrs. Sari Kayser, Lisle, Ill., known as "Sari, the Junk Shopper," has written a book on Junk Shopping and had her own show on Channel 32 where she talked about Junk Shopping. She was third runner-up in the 1967 Mrs. Illinois Pageant.

Mr. Richard Tobias, Bensenville, Ill., graduate of Northwestern University, owner of Garden City Mirror in Chicago and is one of the inventors of the Smokey Glass finish that is applied to mirrors. Wife Barbara, 3 children.

Mrs. Treva Franger, South Bend, Ind., Graduate of Patricia Model School, former Patricia Stevens Modeling School instructor and now owns and operates the Monique's Model Agency in South Bend. She and her husband also operate the Continental Hairstyling for Men, Inc., in South Bend.

Mr. Steven Young, Waukegan, attended Southern Illinois University, worked for a law firm in Chicago and is now a resident of Lake County, where he operates his own Cement Contracting business.

Miss Doris Drew, Waukegan, is the Wendy Ward Director for the Montgomery Ward & Co. in the Belvidere Mall in Waukegan.

The Jaycees and the 11 contestants have put a lot of work into making this Pageant a success. The only element needed to make it truly a success is to have a large audience to appreciate the talent and beauty displayed by the entrants. The program that will commence at 8:00 p.m. on Aug. 2, in the Antioch High School Auditorium should be a very excellent entertainment. The Jaycees do the work that is necessary to put on a pageant of this nature because they feel that it is a great contribution to the social and cultural development of their community.

Dennis Rockow To Attend Wisconsin

Almost 1200 of next fall's freshmen at Wisconsin State University at Platteville have completed registration for their classes and have spent a day in being oriented to the campus.

Most of the freshmen brought at least one parent, who spent the day listening to the president and various deans, and who had the chance to ask questions ranging from those concerning curriculum to residence hall regulations. Some parents spent a night in a residence hall, receiving a taste of the type of housing and meals their children would get during their years of study.

Dennis Rockow, from Antioch, is one of the freshmen who has registered for the fall term.

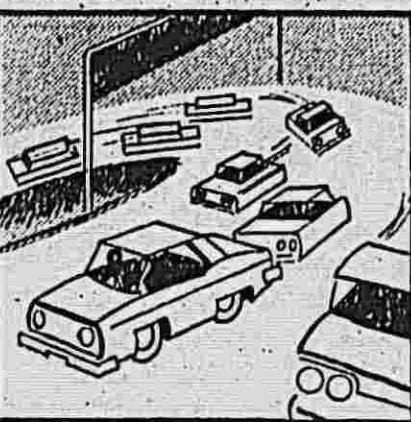

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

With the number of cars on the road and with our modern multi-lane highways, the "slowpoke" driver is a major traffic hazard.

Today's driving demands concentration, alertness and consideration for others. The fast multi-lane roads were designed for high-speed. Those motorists who use these limited access highways should always give their complete attention to their driving.

With traffic moving at 50 to 60 miles an hour, and even higher in rural areas, lack of attention or day-dreaming can not only cause you to miss your exit, but can cause fatal accidents.

Driving hazards created by the slowpoke who disregards posted minimum speed limits and thoughtlessly causes traffic congestion by blocking lanes are responsible for many accidents. All who drive on expressways, highways and tollways should maintain at least posted minimum speeds and stay in the extreme right hand lane so that faster moving traffic can pass safely.

For your copy of "Rules of the Road", write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

Association Has Antioch Office

The Rev. Hugo Zerbe, executive director of the Countryside Hospital Association announced that the organization has opened an office on the second floor of the old First National Bank Building, Lake and Main Streets, Antioch.

Zerbe said the association is about to embark on a six week feasibility study of the Antioch area and is negotiating for two locations.

It's easy to place a classified—Just dial 395-4111.

Conservation Teacher Of Year Named

Mrs. Elizabeth Rueck, Administrative Assistant at Barrington High School has just been named winner of the Conservation Teacher of the Year Contest for the northern section of Illinois. This was announced by Keith A. Childley, chairman of the North Cook County Soil and Water Conservation District, 71 South Old Rand Road, Lake Zurich.

The contest is sponsored each year by the Illinois Association of Soil and Water Conservation Districts, and Mrs. Rueck was nominated for the award by both the Lake County and the North Cook County District Boards, with the approval of Dr. William Petty, Lake County Superintendent of Schools.

The entries were judged by a panel of specialists in the field of Conservation Education, based on actual interest in conservation; background and preparation; workshop experience and indoor and outdoor experiences planned for children.

Mrs. Rueck is well qualified for the honor, having a Bachelor of Science degree from DePaul University, and a Master of Science degree in Education from National College of Evanston.

Her enthusiasm and innovations in Conservation Education seem endless. She has been Science Chairman at Barrington High for 13 years, and coordinated her curriculum between elementary and high schools, helping the brilliant students as well as the "under-achievers" and potential dropouts.

Her achievements include a sixty acre outdoor Ecological Area, planted with trees and bushes, and containing a shelter, built by her students.

A RELATIVE TERM

Poverty is a relative term. What one person calls poverty, another would consider abundance. U. S. Representative Olin E. Teague of Texas calls attention to some interesting figures. A survey of the poorest regions of the U. S., where 8 out of 10 families live on less than \$3,000 a year, showed that 37 per cent owned washing machines, 48 per cent owned cars, and 52 per cent had television sets.

Representative Teague points out that a major portion of the so-called poverty-stricken class of America enjoys fruits of affluence which the middle classes of Europe cannot afford—not to

THE ANTIOCH NEWS—5

THURSDAY, JULY 31, 1969

mention the rest of the world. He believes, "The core of the poverty problem often is psychological, not physical. We should be fighting human attitudes that cause poverty. . . . We should replace the ethics of slavery—the brazen demands that 'somebody do something' and the slogans that 'the government owes it to us—with the ethics of self-reliance.' Money alone will not teach people that a balanced diet is more important than a shiny new car.

Points made by Representative Teague are well taken. They hearken back to the fate of the "poverty-stricken" Indian tribes of long ago who sank into oblivion, not from poverty, but from the misuse of the tools and luxuries of the white man.

If you have a picnic in an area near a highway or busy street, the Chicago Motor Club-AAA says to make sure your car is parked safely away from traffic. Cars parked on the shoulder of the road can be a hazard to approaching drivers whose tendency is to swerve over the center line when passing a vehicle parked close to a highway.

JUST ARRIVED?
We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping information and all the other things you'll want to know about your new home town. A Welcome Wagon hostess will visit your convenience to provide all this and gifts as well. It's all yours—free—for a telephone call to Welcome Wagon at

QUIETEST PLACE IN THE WORLD

The quietest place in the world may be the anechoic chamber, or "dead room," of Bell Telephone Laboratories, Murray Hill, N. J. The room 38 x 38 x 45 feet in size, is shielded from 99.98 per cent of noise by 24-inch-thick masonry walls, by isolation from other buildings and by elaborate acoustical filters lining the room and ventilation system. The "dead room" is used for precise measurements of speech and hearing, and for work on receiving, producing and transmitting sound.

AN OUNCE AND A TON

Trimming an ounce and a half from the standard telephone receiver is expected to save the Bell System more than 200 tons of raw materials per year. The new receiver will eventually be used in most Bell System telephone sets.

Miss Marianne Payton, Lakeside Place, Antioch (age, 17) (Miss Galaxie); Miss Kathryn Heitkotter, 675 S. Main St., Wauconda (age, 19) (Miss First National); Miss Debra Zeason, 1538 Forest Drive, Lake Villa (age, 17) (Miss State Bank); Miss Chinee Pedersen, Rt. 45, Antioch (age 18) (Miss Teresi Chevy-Olds); Miss Patricia Johnson, Channel Lake, Antioch (age, 18) (Miss Gibbs & Jenness); Miss Barbara Schaufel, 1910 Romero Ave., Lake Villa (age, 18) (Miss Hucker's Sales); Miss Lerne Kerr, 19 Lippincott Road, Fox Lake (age, 17) (Miss Stringer Dodge); Miss Nancy Kumpfer, 1043 Spafford St., Antioch (age, 17) (Miss Charmglow); Miss Betty Clemons, 1413 Derling Lane, Lake Villa (age, 18) (Miss Tony & Lill's). THE ANTIOCH NEWS-6

Rain Cancels Wilmot Races

WILMOT—Rain cancelled the Kenosha County Speedway, Wilmot, modified and sportsman stock cars here Saturday night in what would have been a very important race to drivers hoping to catch point leader Roger Otto of Burlington. Otto has a long lead now and only one more full month of the super-fast action in modifieds and sportsman's stock car racing remain at Wilmot.

The date has already been set for the 1969 50-lap Season Championship race. It will be held on Saturday night, Aug. 30 with a rain date held for Saturday night, August 30 with a rain date held for Saturday night, Sept. 6. In the event the Championship race is held without problems from the weather on the Aug. 30 date, the Sept. 6 race date will be a super-wind-up of the 1969 season.

The Championship race night of Aug. 30 will be set to also honor past champions of the Kenosha County Speedway and many are expected to be on hand. They are Norm Nelson of Racine; Eddie Stillman, Milwaukee; Don Sorce, West Allis and others. Whitey Harris and Roger Otto, who have dominated Championships in recent years, are currently racing.

The Season's Lap Prize awards are now being accepted and will be spread to the semi-feature, sportsman's feature and Championship feature. Ray Toft, President of the IRA group, has pledged to run as many laps in the Championship race feature as are sold over the initial 50.

Following the next night of Saturday night racing, August 2, the Wilmot oval will get quick re-use as the modifieds and sportsman's stocks run on Thursday night, Aug. 7 for the opening of the 1969 Kenosha County Fair. The Kenosha County Fair Championship race night will be held on Saturday, Aug. 9, with the Kenosha County Fair Queen making the Trophy Presentation to the winning driver.

Hogan Wins Late Model Feature

Hogan Schwelzer of Jefferson won the late model feature race for 30 laps and made a hero of himself as he upset the plans of Dick Duerst and Dennis Burgan who finished behind him in that order, at Lake Geneva Raceways last Friday night.

The exciting night of late models and spectator racing was more than full of close competition in all events. Dick Duerst looked like the man to beat as he set a fast time of 17.64 in qualifying. However, Rickey Bickel earned the win in the fast heat with other wins going to Dennis Krueger, Gil Rein and Ken Carey.

Bob Zimmerman of Alden won the semi-feature race after starting far back in this field.

Gil Schills of Delavan set fast time in the spectator stock time trial runs but was shut out in the other events. Kurt Peterson won the feature with heat race wins going to Ed Reed and Rich Drew of Lake Geneva. The spectator stock car action became extremely competitive as the drivers somehow found a fourth groove and used it to further inflame the action fans attending the final Friday night's racing.

Starting Saturday, Aug. 2, Lake Geneva Raceways will switch its two nights of stock car racing action to Saturday night and Sunday night. The late models will race on Saturday nights with the IRA super-fast modifieds in action on Sunday nights. The Spectator Stocks will provide the bonus action on both nights.

A mid-season Championship race for the 50 laps will be held on Saturday night, Aug. 2 for the late models and this race will be started with high point drivers earning the up front starting positions.

The Antioch Swim Club, sponsored by the State Bank of Antioch, will play host Sunday to the Kenosha Swim Club and the Brentwood Swim Club of Waukegan, at the Antioch Lions Club annual bar-b-que at the Antioch Aqua Center. Members of the team include, bottom row, from left, David Walpole, Mark Haley, Jerry Schmidt, Mitch Witt, Jeff Schmidt, John Schmidt, row two, from left, Jenny Schmidt, JoAnn Lubkeman, Gena Teresi, Kim Klopp, Jim Abderholden, Bob Dodd, Tim Waite, row three, from left, Chris Walpole, Barb Dodd, Karen Bodine, Maryann Teresi, Kit Kackec, Frank Abderholden, John Thain, Kevin Walpole, row four, from left, Kathy Walpole, Linda Lagerstrom, Mary Kay Vorheis, Bill Vorheis, Jim Vorheis, John Wau-ro, and Coach Ron Hellstern.

Lions Picnic Will Feature Swim Meet

This Sunday, Aug. 3, the Antioch Swim Club will host the Antioch Invitational Swimming Meet in conjunction with the annual Lions Club Chicken BAR-B-Q.

The State Bank of Antioch sponsors the Antioch Swim Club which will be competing against Brentwood of Waukegan and the Kenosha Swim Club.

The teams consist of Boy and Girls, from 8 to 16 who will be

swimming the same strokes that are used in the Olympics.

Ribbons and trophies, provided by the State Bank of Antioch, will be awarded to the best swimmers and teams.

The Lions Club affair will be held at the Antioch Aqua Center and will feature charcoal broiled and butter basted chicken at \$1.75 per plate.

The swim meeting will get under way at 11 a.m. and continue through 1:30 p.m.

In addition to children's games the affair will feature an art show sponsored by the Antioch Art Guild and a Farmer's Auction.

Four autos will be auctioned off. They include a 1963 Dodge Dart, from Stringer Motors; a 1963 Ford Station Wagon Country Sedan, Lyons-Ryan Ford Sales; a 1956 Plymouth fourdoor from Pitman Motors, and a 1963 Chevrolet BelAir fourdoor from Teresi Motors.

Fishing Derby Now On

The 1969 edition of the Chain of Lakes Resort Owners' Association Fishing Derby is now under way.

Weekly prizes will be given away and the competition will continue through Labor Day.

Winners in the first week—July 16 through 24 include:

NORTHERN PIKE:
First Prize, Kenneth G. Karasek, Westchester-Johnson Rod and Reel
2nd—Gary T. Heffen, Streamwood—Plano Tackle Box
3rd—Michael Priami, Jr., Chicago—Mepps Lure Kit
4th—Tom Cicero, Chicago—Rapala Knife.

WALLEYE:
1st—William Branigan, Lockport—Johnson Rod & Reel
2nd—Ronald Jones, Chicago, Plano Tackle Box

BASS:
1st—George Lang, Ingleside—Turner Campstove
2nd—Harold Bair, Beloit, Wis.—Plano Tackle Box
3rd—Andrew Wallen, Chicago—Rapala Knife.

Mepps Bass Lure Kit
4th—Ernest Magnuson, Fox Lake—Rapala Knife
5th—Bob Weeks, Jr., Antioch—Rapala Knife.

STRIPED BASS:
1st—Pat Travnick, Chicago—Pepsi Cooler
2nd—James H. Goode, Chicago—Turner Lantern

3rd—Chet Piotrowski, Downers Grove—Mepps Lunker Lure Kit
4th—Tony Nichols, Berwyn—Johnson Lure Kit.

BLUEGILL:
1st—Barney Travnick, Chicago—Pepsi Cooler
2nd—Danny Lechy, Chicago—Turner Lantern

3rd—Sharon Makowski, Chicago—Tote Bag
4th—Jack Hugel, McHenry—Basser Lure Kit

5th—Rick Baschetti, Antioch—Basser Lure Kit
6th—Wayne Meierdick, Antioch—Basser Lure Kit

CRAPPIE:
1st—Ben Serio, Chicago—Pepsi Cooler
2nd—John Szostek, Chicago—Tote Bag

3rd—John Clemens, Chicago—Johnson Lure Kit
4th—James Manning, Chicago—Rapala Knife.

CHANNEL CAT:
1st Prize—Charles Russell, McHenry—Johnson Rod & Reel
2nd—Russ Hancock, Antioch—Pepsi Cooler

3rd—Vera Thompson, Elgin—Mepps Lunker Kit
4th—Johnny Stancil, Antioch—Rapala Knife.

SWEEPSTAKES WINNERS:
1st—Wis Withrington, Chicago—Pepsi Cooler
2nd—George E. Downs, Chicago—Mepps Lunker Kit

3rd—Tracy Tobias, Antioch—Mepps Lunker Lure Kit
4th—David Underwood, Round Lake—Johnson Lure Kit.

Roper Wins 30 Lap Feature

Waukegan—Bob Roper has been on a real hot streak at the Waukegan Speedway as he won the 30 lap feature Sunday night. This was the fourth feature win for the Chicago driver in five starts during July at the Speedway.

Roper took the lead in the 16th lap after Rich Kleich had led the first half of the race. There was a restart in the 17th lap after Dennis Burgan of Old Mill Creek, who was fastest qualifier, threw a front tire. Two laps after the green fell again Ray Young of Chicago, who was now in second place, broke a rocker arm in his engine. Roper breezed home the winner with Young managing to hold on for second money.

The race for third money was the most hotly contested in the closing laps as eight cars ran bumper to bumper, switching places often. Rich Sundling of Chicago took third spot for good on the 20th lap. Al Gutele of Pleasant Prairie edged Kleich at the finish line for fourth.

The race had a little added glamor as Whitey Harris, 1967 modified stock car champion at Waukegan, took the wheel of Al Hagerty's car in the feature. Harris found the right combination late in the race and turned some fast laps, but he still finished twelfth over-all.

Jim Couch of Grayslake pushed his new Chevelle late model in front to win both the first heat and the 16-car, action-filled feature race. Jim Cossman of Waukegan won the trophy dash, but finished seventh in the feature.

Hobby stock action was rough and tumble all night as the large

est field of the season entered. Tom Reuss of Round Lake, Dave Magnus of Lake Villa and Cliff Burdette of Sturtevant won the heat race, but in the feature Chuck Clark of Waukegan took the lead with seven laps to go and came home the winner.

Next Friday night a special benefit race for the family of Paul Rademacher will be held at the Speedway. Rademacher lost his life in a midjet accident at the track July 4. Part of the gate proceeds and donations by the drivers will be given the Rademacher family. The U.A. R.A. midjets will run a full program of events plus there will be hobby stock racing.

Golf Tourney By Mail Is Announced

With the help of Uncle Sam and a unique method of computing scores, golfers will be competing for State and National titles in a tournament developed by the American Golf Association. The major difference between this event and stereotyped tournament is that the golfers will be playing against par rather than each other.

Rules of the tournament call for qualifying and competitive rounds to be played on the golfers' home course which will elim-

Richard Sheehan, right, of Lyons-Ryan Ford, Inc., Antioch, is congratulated by Thomas Domke of Ford Division's Chicago District Sales Office for his winning performance in a recent drag strip competition among area Ford dealers at the U.S. 30 Drag Strip near Gary, Ind. The seminar travels from city to city updating the skills of Ford salesmen and service in the sale and service of high performance cars. To gain practical experience, the dealers drove specially prepared Ford Torinos and Mustangs in a drag competition.

inate financial worries, travel, and time away from work.

Attested score cards submitted by mail will be computed through a special scoring system developed by the AGA for use in tournaments of this type. No handicaps are used, and all rounds are to be played under the existing rules of golf. Officials of the association point out that this is a basic test of golfing skills, and not a sweepstakes event.

Qualifying rounds will consist of 36 holes to be played between August 22-31. Entrants who qualify will be shooting for State and National titles in four divisions: Championship 140 (or under)-152; AAA 153-168; AA 169-184; A 185 and over. Trophies and awards will be presented to State and National winners as well as runner up in each division. No prizes will exceed the \$200 limit allowed for amateur golfers.

The tournament is open to all amateur male golfers 15 years of age or over. The entry fee for all events is \$10 which includes a one year membership in the AGA.

Entry blanks and further information may be obtained from the Tournament Director of the American Golf Association, 206 South Green Street, Morganton, North Carolina 28655.

Little League Action

The Antioch Little League got back into action on Monday, July 21 with the Sox victors over the Pirates by an 8 to 3 score. Mike Holm hit a homer in the bottom of the 4th inning for the Sox.

Winning pitcher was Holm and losing pitcher was Jim Shostak.

The Cardinals took on the Tigers on Tuesday, July 22, and the Cards came home a winner by a score of 9 to 3.

The game featured a grand slam homer by Dale Guntz who was the winning pitcher. Losing pitcher was Tom Gutowski.

On Wednesday, July 23, the Yankees met the Giants and swamped their opponents by a 17 to 0 score.

Mark Andrews chalked up the win aided by two grand slam homers by Russ Albano and another homer by John Bodin. The loser was Joe Norwood.

KNOWLEDGE IS POWER

According to the publication "Commerce," important federal government research projects include: "Mating Calls of Central American Toad Frogs," cost \$21,200; "Sexual Incompatibility in Higher Fungi," cost \$4,800; "Social Dominance Behavior of Rodents," cost \$28,000; "Heat and Water Balances of the Camel," cost \$31,200; "Respiratory Mechanisms of Cultivated Mushrooms," cost \$8,000. Well no doubt that information will be worth a great deal some time in the future.

the loss.

The Yankees met the Sox on Friday, July 25 and the Yanks bombed their opponents by a 14 to 4 score.

Russ Albano again showed his power at the plate by hitting a home run in the 3rd and then a grand slammer in the 6th.

Winning pitcher was Russ Albano while Ron Sheedlow took the loss.

Funny Cars Set For Dragaway

Th supercharged gas burning funny cars will make their first appearance of the year Sunday at 2 p.m. at the Great Lakes Dragaway, Union Grove, Wis.

The nation's leading drivers will compete in 6 match races plus open competition.

Included are K.S. "Tiger" Pitman of Philadelphia, "Ohio George" Montgomery of Dayton, the team of Stone Woods & Cook from Burbank, California, and "Big John" Mazmanian and Junior Thompson from Los Angeles.

These cars cover the 1/4-mile at over 170 mph. They burn straight gasoline with no additives allowed in the 1000 h.p. supercharged power plants.

Drag bikes, sports cars and stock cars round out a full program of competition.

Grudge racing for Street Racers will be held this Saturday and every Saturday night from 6 to 11 p.m. Admission is \$1.00 for spectator or racer the entire 5 hours. Car and pit entry is free for everyone.

The dragstrip is located 20 miles south of Milwaukee on Highway 45.

DOES A TOP OF \$176 TURN YOU ON?

That's the weekly base we're paying our top linemen. With raises every six months you'll reach the top in just 6 years.

Linemen put in telephone lines and cables that people use to speed communications across the world.

Apply today. Earn while learning from veteran craftsmen. Soon you'll be on your own — working near home, shaping the guts of the world's largest computer — the Bell System switching network.

Famous Bell Benefits? Of course.

And that's just for starters. With Bell's policy of selecting its managers from within its ranks, you'll have plenty of chances for further advancement.

If you feel at home with a set of tools, have an interest in electronics and a desire to do quality work outdoors, come see us. We're an equal opportunity employer.

We have openings in Lake Villa.

Lake County Forest Preserve District President Ernest W. Mintern, has announced the opening of the Ivanhoe Area of the Lakewood Forest Preserve near Wauconda. The North area continues to be developed.

Edison Seeking Rate Increase

Commonwealth Edison Company has announced that it will seek a general increase in rates in an application to be filed with the Illinois Commerce Commission next month.

At the same time, Chairman J. Harris Ward announced a revised estimate of the company's earnings for this year.

"At our annual meeting in May," he said, "1969 earnings were estimated at about \$3.15 a share. Now, particularly as a result of the unrelenting pressure of inflation on our costs, it appears we will be hard pressed to push earnings for the full year above the \$3.02 per share reported for the 12 months ended June 30."

"It has also become apparent that we must reluctantly seek rate relief to offset the higher costs of borrowing money, a growing tax burden and steadily rising prices for equipment, materials and labor required to provide reliable service to customers."

"Our present estimate is that an increase on the order of 6 per cent will be needed to raise our

revenues and earnings to a fair rate of return on the fair value of our property."

Ward said details of the proposed rate increase will be set out in the application to the Illinois Commerce Commission, but indicated that revised charges would be equitably applied among the company's 2½ million customers.

Ward pointed out that over the past seven years Commonwealth Edison has reduced charges for electricity by more than \$30 million on an annual basis, despite the rising price trend of other commodities and services.

"Since March, 1962," he said, "the average cost of electricity to our residential customers has gone down more than 13 per cent. Meanwhile, other consumer prices have gone up and up, with the increase in the past year running about five per cent." Edison's average residential revenue per kilowatt-hour, he also noted, is now at an all-time low of 2.54 cents.

Ward said the company's need

for higher revenues and stronger earnings growth is closely related to the cost of borrowing money for the largest construction program in Commonwealth Edison's history. The program calls for an estimated expenditure of \$1.7 billion in the five-year period, 1969-1973.

"We are faced with financing a large portion of this construction program at interest rates that are higher than ever before in our history," he stated. "Our last bond issue carried an interest rate of 8 per cent—the highest we have ever had. This contrasts with a borrowing cost of only 3½ per cent for long term in 1958."

The Commonwealth Edison chairman added that taxes continue to increase sharply. "In 1968," he said, "our tax provisions on electric operations amounted to \$202 millions, 86 per cent more than 10 years earlier."

He also emphasized that rising costs of materials and labor have affected practically every area of the company's operation. Citing generating construction as an example, he said that the costs of new units have risen more than 60 per cent over the past four years.

"We have done our best to counteract all of these inflationary forces in our business and

Shriners Picnic Is Aug. 2

Shriners who are residents of this area will take an active role—both as officials and guests—on Friday, August 2, at what is generally considered the "world's largest picnic," Medinah Temple's annual Family Party. It will be held at Oak Grove Farm, Naperville, Ill., just north of 87th St., on Washington - Naperville road.

An attendance of about 5,000 Medinah members and their families is expected to attend.

In addition to games, rides, contests and refreshments which usually feature a picnic, entertainment will be provided by a number of Medinah's famous units, most of whom participated in the huge parades of the national Shrine convention in Seattle several weeks ago.

Committee chairmen, appointed by Potentate George R. Wilson include Geno Ricci, 1842 N. DuSable Ave., main gate reception; James Faulkner, 5748 N. Campbell, headquarters and announcing; Dr. Charles J. Lockwood, 312 E. Grant Highway, Marengo, medical; James G. Sotern, 5969 W. Chicago ave., traffic control; H. Wayne Lillard, 5531 Greenwood, Morton Grove, parking; Walter N. Estes, 8528 Morton ave., Morton Grove, oasis; Merlin J. Nygren, 3722 N. Nottingham, safety and road control; James Fraser, 327 Lake Shore Drive, Grayslake, good fellowship and Clare B. Lang, 8832 Lockwood ave., Skokie and Carl A. Anderson, 1188 Royal Glen Dr., Glen Ellyn, games and races.

Thomas C. Roberts, 1346 Franklin ave., River Forest is general chairman with Walter E. Bischoff, 717 Brierhall Rd., Deerfield, as his assistant.

Good tires are vital to traffic safety. Check your tires regularly to make sure they aren't worn dangerously thin. Be certain they are inflated to the right pressure. And make sure they are not wearing unevenly.

the general economy," he said. "Now we have no alternative but to seek rate relief."

MD To Launch Fund Campaign In September

The annual house-to-house fund raising drive is now being organized by the North Shore Chapter of the Muscular Dystrophy Association of America. This year's march will be held on September 26, 27, and 28.

The North Shore Chapter was organized in February of this year, and since its inception, has worked toward bringing the services of the association closer to the homes of the M.D. patients in the area. The chapter's months of hard work have resulted in a Patient Service Clinic to be opened in November at the Evanston Hospital.

Funds raised by the march, whose national chairman is Jerry Lewis, will help provide medical services, physical therapy, social service aid, drugs, wheel chairs, braces, and other orthopedic devices for Muscular Dystrophy patients in the North Shore area. In addition, the funds will help give all patients the opportunity to attend summer camp.

The drive also provides funds for research into the causes and possible cure for Muscular Dystrophy.

Recent figures show that the M.D.A.A. has granted \$105,056 to Northwestern University, \$133,533 to the University of Illinois at Congress Circle, \$28,950 to the University of Chicago, \$8,460 to Chicago Medical School, and \$121,959 to Presbyterian-St. Luke Hospital in the form of grants and fellowships for research.

The newly-elected executive board members organizing the campaign are Thomas C. Hassey of Deerfield, President; Mrs. Peter LaBruzzo of Kenilworth, Secretary; Elmer R. Tucker of Rolling Meadows, Vice President and Membership Chairman; Mrs. Lester Clamage of Skokie, Chairman of the Drive; Mrs. Ira Olken of Skokie, Special Events Chairman; Simon A. Roberts of Evanston, Budget Committee Chairman; Irwin R. Greene of Lincolnwood, Patient Service Chairman; Steve Lutsker of Evanston, Chairman of Public Health Information; Mrs. B. T. Siegle of Lake Forest, Patient Service Committee; Dr. Stuart M. Meyer of Glencoe and Skokie, Medical Advisory Board Chairman; Kenneth T. Birchard of Skokie, Chaplain-Treasurer; and John Coffey of Skokie.

If you know of anyone to whom the North Shore Chapter may offer aid regardless of race, creed, color, or financial status, please inform them on the chapter's availability and have them call 676-0711.

Bruce McKinney Visits University
Bruce McKinney, son of Mr. and Mrs. Charles McKinney, R. 3, Antioch, Ill., is among some 700 young men and women who visited the University of Wisconsin campus in Madison during the past week to register for University studies to be started with the opening of the University's school year in September.

The past week was the last of the University's summer registration-orientation program on the Madison campus. The program was established to help young people make their transition into University life easier both for themselves and their parents. It has been under way since June 16, and since then about 3,700 young men and women from all parts of Wisconsin and many other states have taken advantage of its opportunity to register for their University studies for the 1969-70 school year on the Madison campus.

Under the program, the young men and women visit the campus for at least a day, often with either their mother or father or both parents, arrange for their housing if that is not already done, take some placement tests, meet some student leaders and faculty members, and register for their coming University studies.

The new students will be returning to the UW campus Sept. 10 to continue their orientation into University life. Their fall semester classes will begin on Monday, Sept. 15.

The Tax Foundation, Inc., says the estimate of all taxes to be collected in fiscal 1969 by federal, state and local governments averages out to about \$3,927 per American family. That's up \$70 from fiscal 1968. This ever-increasing tax burden on the American taxpayer points up the immediate need for careful screening of expenditures, elimination of overlapping projects, and the setting of priorities at all levels of government.

It's easy to place a classified—Just dial 395-4111.

Lake Villa Youth Has Champion

Bob Bendull, 17, of West Park Ave., Lake Villa won top honors when his steer was named Grand Champion in open judging at the Lake County Fair.

Bob's 902 pound steer took second place in 4-H judging but stood out in the open class.

The steer was sold to Joe Hoffman of J. E. Hoffman Co., Mundelein for \$2.5 cents per pound.

Bob, a member of the Grayslake 4-H Club has taken second place in judging for the past two years.

A senior at Antioch High School this fall he hopes to use the money for his education at Oklahoma, probably majoring in agriculture.

VA Urges Vets Do Homework

The Veterans Administration is anxious to have veterans' G.I. education checks arrive on time this fall, Manager John B. Naser of the Chicago VA Regional Office said today.

Judging from experience going back a quarter of a century, the VA says the number of delays would be reduced drastically if veterans and schools did their part of the required paperwork . . . and did it on time.

If the veteran who was in college last semester followed instructions and returned his Certification of Attendance at the end of the last term, he has nothing more to do before his checks start arriving this fall. The college registrar, of course, must follow through and return the completed enrollment certification to the VA.

If the veteran did not return his Certification of Attendance, he should do so immediately. If the certification is lost, the veteran should contact the VA office, that issued it to him.

Veterans enrolling for the first time—or who have changed college or program—must be certain:

1. They have obtained a proper Certificate of Eligibility from the Veterans Administration.
 2. They have submitted this Certificate to the college registrar.
 3. The college registrar returned the completed certificate to the VA.
- Normally, payment for September and October is combined in the first check mailed to veterans in November.

Life-Safety Enforcement Is Big Job

Lake County Building and Zoning Officer Joseph Cannon says county government's enforcement of the life-safety codes in the unincorporated areas is "an awesome responsibility."

Speaking on the radio series "This Week in Lake County," being carried on five local stations each weekend, Cannon described his department as an enforcement agency dealing with building and zoning matters. The new county ordinance adopted by the County Board of Supervisors goes into effect August 1 and will be administered by Building and Zoning Department field inspectors.

Cannon says his department has excellent cooperation from contractors and the building trades. The department makes inspections of all structures and new additions as work progresses. This includes everything from the setback to foundation, framing, electrical and plumbing installations, heating, air conditioning, sprinkler systems and performance standards.

Some of the major projects which have kept the department busy recently include Abbott Park, the American Hospital Supply complex, and the new Holiday Inn west of Grayslake.

The 13-member staff was responsible for issuing 1,919 building permits representing a valuation of over \$32,000,000 last year. The permits covered 490 new developments, 41 businesses and 254 additions.

The western Atlantic seahorse has the head of a horse, the external skeleton of an insect, the prehensile tail of a New World monkey, the independently moving eye of a chameleon and the pouch of a kangaroo carrying its offspring.

Dairymen To Receive High Price

A superpool blend price of at least \$4.95 per hundredweight, highest June blend price in the history of the Chicago milk market but four cents under May, this year, will be paid dairy farmers for Grade A Milk delivered during June to Chicago-market plants within zone 1 of the Chicago regional federal milk order.

This was announced by Central Milk Producers Cooperative, an organization of 19 Wisconsin and Illinois dairy-farmer cooperatives which supplies most of the milk for Chicago, Milwaukee, Madison, and northeastern Wisconsin.

Zone 1, the area in which the \$4.95 price applies, includes the Illinois and Wisconsin territory within 85 miles of Chicago, plus Milwaukee county, Wis., and Winnebago county, Ill.

The \$4.95 applies to milk of 3.5 per cent butterfat content and is a blend of the June superpool price of \$5.79 per hundredweight for Class I (bottling) milk and \$4.39 per hundredweight for Class II milk (milk used for other than bottling purposes).

June Class I (bottling) milk utilization was 40 per cent of the total milk in the Chicago regional market pool compared with 45 per cent in May. The lower utilization for June is attributed to the closing of schools, family vacations, and increased production.

Total milk in the pool in June, a 30-day month, was 668,664,650 pounds compared with 681,197,330 pounds in May, a 31-day month. However, June milk production was up approximately 315,000 pounds per day over the May daily average.

The producer butterfat differential on June milk under the Chicago regional order is .81 cents per hundredweight for each one-tenth of 1 per cent above or below 3.5 per cent.

The market blend price paid paid Chicago regional market producers is reduced two cents per hundredweight for each 15 miles beyond zone 1.

Some representative June superpool blend prices to be paid dairy farmers who produce for the Chicago market follow: Beloit, Janesville and Whitewater, \$4.93; Belleville and Astoria, \$4.87; Fond du Lac and Mt. Horeb, \$4.85; Appleton, Neenah, Denmark and Wrightstown, \$4.81; and Fennimore, Reedsburg and Green Bay, \$4.79.

The superpool is a pricing program to help dairy farmers cope with rising production costs by being paid premiums above the announced federal order price on milk used for bottling.

Benedictine Sisters Plan Annual Dinner

The Benedictine Sister at Benet Lake, Wis., are continuing in their efforts to add to their Convent Building Fund and will hold their Annual Chicken Dinner Festival on their grounds on Sunday, Aug. 17.

Benet Lake is located on the Wisconsin-Illinois border between Hwys. 45 and 83 in Kenosha County.

The convent is accessible from County Hwy. V in Salem Township and is also just three miles northeast of Antioch.

Dinner will be served RAIN or SHINE under tents from 11 a.m. to 7 p.m. Adults \$2.00; children 6 to 14, \$1.00; under 6 free. There will also be awards, games, and booths. You are invited to come and bring your friends.

Abbott Lab Has Good First Half

North Chicago—An eight per cent increase in net earnings and a 14 per cent boost in sales were reported for the first half of the 1969 calendar year by George R. Can, Chairman of the Board and Chief Executive Officer of Abbott Laboratories.

Earnings were a record \$15,607,000 or \$1.16 a share, compared with \$14,438,000, or \$1.07, for the first half of 1968. Second-quarter earnings were \$7,283,000, or 54 cents a share, compared with \$6,894,000, or 51 cents a share for the year-ago period.

First-half sales were a record \$190,631,000, a fourteen per cent increase over the \$166,631,000 for the first six months a year ago. Second-quarter sales of \$97,086,000 improved almost sixteen per cent over the \$83,744,000 listed for the comparable 1968 period.

4-Hers Show Completed Project Work

July 14-25 has been a busy time for hundreds of Lake County girls enrolled in 4-H Home Economics projects.

Tuesday, July 15, the annual Foods Demonstration Contest was held. Nineteen girls demonstrated foods from their projects.

Judges were: Mrs. Jean Cooney, and Mrs. Nancy Johansen, Home Economists with Northern Illinois Gas Company. The main points on which the girls' demonstrations were judged were their introduction, personal appearance, organized and skillful preparation, accurate and complete explanation of each step, attractive display of finished product, and a good summary.

The blue ribbons are annually furnished by the Lake County Bankers Association. This year Mr. Charles A. Quilan, Jr., President of Lake County Bankers Association, presented the ribbons and announced the grand champions and state fair delegates.

Shirley Wertke, Volo Busy Bees, Ingleside, was chosen grand champion. Shirley, 13, demonstrated making tarts, which she will again demonstrate when she represents Lake County at the Illinois State Fair, Aug. 7-9, at Springfield.

All girls over 12 years of age, who earned a blue ribbon for their demonstrations will be in a foods honor group at State Fair. Also representing Lake County in Foods at the Fair are: Diana Austin, Zion; Carol Rudd, Gurnee; Sherry Witt, Zion; Carol Mudd, Libertyville; Alison Hevredes, Antioch; Nancy Jacobs, Mundelein.

Monday, July 14, all first year skirts and beginning knitting were judged by 4-H leaders and Extension unit members. All intermediate and advanced clothing was judged at the Fairgrounds Auditorium on Wednesday, July 16, and Thursday, July 17, using a score card similar to the one used at State Fair. The girls were judged for grooming, poise, accessory coordination and appropriateness, garment fit and becomingness of the color, line and design of the garment, as well as construction skills.

Judges for this phase of judging were: Fit: Mrs. Jesse Coulter, Mrs. Charles Palmer; Knitting: Mrs. Donald Isleib, Mrs. William Behrens; and Mrs. Drew and Miss Bileau of Montgomery Ward's judged poise and grooming.

The Dress Review, Thursday evening, July 17, was an exciting climax of a year's work and a busy week of judging and modeling. Parents, members and friends attended the annual affair held at the Lake County Farm Bureau Auditorium. The grand champions and honor girls were announced by Mrs. Russell Wertke, County Home Economics 4-H Chairman. They are:

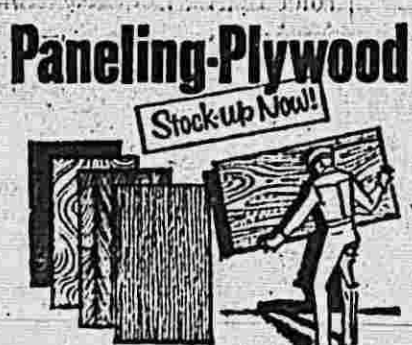

GRAND CHAMPIONS
Beginning Skirt—Amy Allen, Wildwood
Beginning Knitting—Liz Slocum, Ingleside
Intermediate and Advanced Knitting—Cathy Myers, Lake Villa
Tailoring—Janice DeKnock, Libertyville
Best Wear—Dora Carrizales, Libertyville
Sportsweat—Linda Lagerstrom, Antioch.

In addition to the grand champions, the following girls will represent Lake County at the State Fair in clothing:

Barbara Dodd, Antioch; Joyce White, Mundelein, Pam Fish, Volo; Jean Boehmer; Debbie Olson; Sue Severson, Lake Villa; Carol Mudd, Libertyville.
Honor winners in clothing: Doris Meuter, Sylvia Meuter, Alison Hevredes, Susan Hevredes, all of Antioch; Sally Dowell of Wauconda; from Mundelein, Maureen O'Donnell, Lynn Nachowicz, Mary Nachowicz, Terri Nachowicz, Kathy Kenny, Charlott Coulter, Terri Hubert, Ann Parker, Cathy Matza, Judy LeVan, Bonnie Meyer.

Also from Gurnee, Sue Ehrhart and Carol Rudd; Barbara Meyer, of Windwood; Sharon Mallon of Ingleside; Shirley Wertke and Linda Wegener, Volo; Diana Austin, Zion; Pam Grunwald, Sharon Nighorn, Vicki Janis, Barrington; Ruth Bilharz, Wadsworth; from Lake Villa Tanya Slovensky, Phyllis Harris and Pam Herman, and from Round Lake, Pat Russell, Cindy Schroeder and Yvonne Maassel.

Decorations for the Review were created by the 1968 Club-of-the-Year, Mundelein, Elvas, Mundelein. Junior leaders and former grand champions acted as Mistresses of Ceremonies.

Sols Record

Northern Illinois Gas Company employees chalked up a better safety record for themselves in 1968 than can be claimed by most employees of the country's major industries.

NI-Gas' frequency of disabling injuries per-million man-hours worked was an impressive 5.01, compared with a national all-industry average of 7.35, according to Richard McClelland, the utility's assistant director of safety.

Citing statistics compiled by the National Safety Council, McClelland noted that the gas industry as a whole did better than industry in general, ending the year with a frequency rate of 6.06.

"NI-Gas' rate of 5.01 is down from 1967's rate of 5.56," McClelland said. He attributed the company's performance to strict observance of safety practices on the job, as well as to programs encouraging a safety awareness around the home and while traveling to and from work.

He said that the gas industry's performance represents a 72.28 per cent reduction from a 1947 peak of 21.86 disabling injuries per million man-hours. He added that in 21 years of record keeping, the gas industry has improved its position 19 times.

MOTOR CLUB FILLERS

When traveling with children, says the Chicago Motor Club-AAA put them in the back seat with their seat belts fastened and make sure that all doors are securely closed—and locked. Above all, keep the children calm so they do not distract the driver from his important job behind the wheel.

Wisconsin Fair Seeks Top Corps

Some of the finest corps in the United States will be in competition for \$10,000 in prizes at the third annual World's Pageant of Bugles and Drums. The contest will take place at the State Fair of Wisconsin, August 9, starting at 10:00 a.m.

Twelve corps, from as far away as California and New York, will compete in open class competition, starting at 12:30 p.m. Four class C corps will perform at 10 a.m. There will be a parade of all corps through the Fairgrounds at 11 a.m.

The competition, free to the public, will take place in the Grandstand. To provide ideal viewing and seating, the Grandstand infield will be ringed with bleachers.

The World's Pageant of Bugles and Drums is another of the many free and exciting events planned for the 1969 State Fair of Wisconsin, August 8-17.

Trip Winner Returns Home

Alfred Little, Route 4, Box 507, Antioch, and his wife Jacqueline, have returned from a weekend trip to Pioneer Lodge at Oshkosh, Wis.

An agent for the Allstate Insurance Companies in Glenview, Little was among a group of Allstate agents who won a recent company sales contest. He and his fellow agents were honored during the weekend outing at the resort.

Little joined Allstate in September of 1957.

A study was made which revealed that television reduces the time adults spend reading books and magazines, but newspaper reading was not affected since it is a firmly established habit. This fact was released by the Public Service Company of Colorado.

"A book of verses underneath the bow... a loaf of bread, a jug of wine and thou..."

"Don't be silly... I'm going in and watch my favorite TV program."

NO INDISPENSABLE MAN
Take a bucket and fill it with water. Put your hand in it up to the wrist. Pull it out and the hole that's remaining. Is the measure of how you'll be missed.

You may splash all you please when you enter. You can stir up the water galore. But stop and you'll find in a minute. That it looks quite the same as before.

The moral of this quaint example. Is "Do the best that you can. Be proud of yourself, but remember. There is no indispensable man."

Mr. Edd H. Bailey, president of the Union Pacific Railroad, has remarked. "The public, the government and the regulatory bodies are becoming aware of the real need for modern, efficient railroads... Railroads are going to be very much around 100 years from now."

The piranha has killed perhaps more human beings than any other fish. Although it reaches a length of only 10½ inches, it is one of the most savage of all fishes and no creature is too large or powerful for it to attack.

Dippers or water ousels walk under the water, feeding on water beetles, caddis flies, dragonflies and other water dwelling insects. So dense is the plumage of this thrushlike bird that it can withstand temperatures of 50 below zero.

The robin, the most familiar of all native birds in this country, is an outstanding member of the thrush family. While they like a diet of worms, they are also very fond of fruit, such as cherries and berries.

Following the car ahead too closely is a major cause of accidents. Unless you are driving at an extremely low speed, a sudden stop by the car ahead can result in a serious accident. A good rule of thumb is to allow at least one car length for every 10 miles an hour you are traveling.

Selective Service Questions

Set out below are questions frequently asked of the Selective Service System along with appropriate answers.

Q: My local board is in Ohio. I now live in Iowa. Recently my local board reclassified me and now I wish a personal appearance. Must I return to my board

in Ohio or can I appear before a board in Iowa?

A: There is no provision in Selective Service regulations for you to have a personal appearance before any local board other than the one in which you are a registrant.

Q: I am divorced and I am supporting two children who are in the custody of my wife. What information is available to my wife out of my Selective Service records without my consent?

A: The contents of your Selective Service file is confidential and information will not be given

to your wife without written authority dated and signed by you.

Q: I am teaching in Florida. My local board in New York has reclassified me from II-A to I-A. Am I permitted to appeal this classification to the appeal board in Florida?

A: Yes. You may appeal for an occupational classification to the appeal board having jurisdiction over the area where you are employed or living.

It's easy to place a classified—Just dial 395-4111.
